Advantages of the Area :

- The Mangamuru Road is one of the fastest growing location in ONGOLE Corporation.
- Plenty of Ground water availability is the greatest advantage to this area
- The Ongole Municipal Corporation has announced the Mangamuru road to extend and develop (60 feet) wide road with centre divider and centre lighting facility along with upgraded drainage system.
- Proposed Outer bypass road was marked (TBM) nearby our site.
- So many other aspects are also there for the fast development of Mangamuru Road Area.
